Dear Dick,

Thanks for the copy of your letter to Berry Gray and your comment on Nizer. Others feel so little that way I got tossed of the coming WNEW Special, to be taped this coming Tuesday. What they say makes no sense at all. Nizer wont face me again, and he's throwing his weight around. Little as he is in every way, he has enough of the right kind of weight.

You made no mentuon of the letter I wrote you a week ago on the further dope I got on the Wolper- DCA film. Have you gotten it?

I was able to call nothing tp Gray's attention, and having just that day taped the Dean show that was one long fight, I didn't want to have to fight with Gray, too, so I just followed his leads. Having just exposed one lawyer, Nizer, I didn't want it to seem like a career. For this and other reasons I was easy on Fuchsburg, who was on the Gray show with me.

Sincerely,

Harold Weisberg
